MOBILIZING CHANGE

in the Frazier Community

March / April 2024 Newsletter

A WORD FROM OUR PRESIDENT...

SETTING OUR CULTURE

What is the culture of the Frazier area? As we work towards change and transformation, the most powerful shaping tool for our culture is **YOU!**

Looking ahead, Frazier Revitalization is excited to engage youth through our Summer Camp to preserve learning and provide a safe environment, continue to train leaders, and engage residents at our NeighborWorks America certification program in July. These efforts will educate and empower all to set the tone to celebrate the unique cultural assets of our community! ***What culture do you want to cultivate for today and our future? Your voice matters.***

Dorothy Hopkins
President and CEO, Frazier Revitalization

EMPLOYEE Spotlight

Kyrin is the Program Coordinator for our Frazier Kids programs (afterschool and summer camp) and he especially loves teaching life skills like coping techniques. He's focused on closing the achievement gap while having FUN!

My passion is to meet kids wherever their needs are - we seek their ideas and passion. Frazier Revitalization shows each child how much we care for them and how they matter.

KYRIN LEWIS

HEALTH

Feeling GOOD at our 3rd Annual Living My Best Healthy Life Health Fair

On Saturday, April 13, we promoted and celebrated healthy living with residents, volunteers, sponsors, and civic leaders.

- Over 30 community partners attended including Parkland Health, Baylor Scott & White Wellness Center, screenings by ECHO & the Dr. M.C. Cooper Dental Clinic, info from Kroger and Grocery Connect, City Hall on the Go, and many more!
- Delicious food from Ruthie's Rolling Café, Easy Sliders, and Tongue in Cheek Ice Cream
- Kid's activities included STEAM Binary Code bracelets with Mad Science, facepainting, cornhole and oversized Connect Four in our Wellness Zone
- Exercises to get your body moving from CardiacFITT and the Soul Inspiration Line Dancers

Neighbor Cheryl Taylor said, "As a cancer survivor, I stress the importance of preventive screenings to my own nieces. Thank you to Frazier Revitalization for hosting the Health Fair where we can pursue our BEST healthy life!"
